### **10/22 Prayer Campaign for China**

**Arrests has been intensified in China also.** About 10 days ago, 12 clergy has been arrested in Baoding, Hubei China, one of the major diocese in China located about 100 miles from Beijing. It has a history of heroic faith. 40 of the 120 martyr-saints in China canonized in 2000 were from this diocese. many other diocese also has arrests during recent months.

**Beijing wishes to ‘voluntary transfer (sign up)’ by October 2022, the expiration of the Vatican-China Agreement, most** underground bishops and clergy to join the independent Patriotic Association.

This Patriotic “church” continues to publicly promote and pledge its Independence from all foreign influence and use religion to promote the communist party and goals of President Xi.

**All Patriotic bishops have been recognized by Pope Francis.** These bishops continue to belong and pledge their loyalty to the Patriotic Association which is not recognized by Vatican. Vatican may only consider candidates for bishop appointments from the approved, vetted clergy submitted by the government and The Patriotic association.

All these arrests in China and in Hong Kong are taking place in the midst of the current vigorous negotiation between Vatican-China. To save the 5 millions R. C. Church in China, please join our **10/22 (Oct 2022) Prayer Campaign for China**. *10/22 may seal the fate of the RC Church in China.*
